

Youngsters Join Integration Mob

Negro Autos Damaged at Clinton, Tenn.

Also At Mansfield,
Tex., Demonstrations
Have Their Effect

By W. F. MIDDLEBROOKS
United Press Staff Correspondent

CLINTON, Tenn. (U.P.) — A mob swollen to nearly 2,000 persons by exuberant teenagers just back from a football game staged a violent demonstration Friday night against integration of white and Negro high school students.

In Mansfield, Tex., a less violent but equally intent mob apparently succeeded for the time being Friday in forcing a halt to integration attempts.

No one was reported seriously injured in Clinton when for the second time violence flared over a federal district court's integration order. But several automobiles carrying Negroes were all but torn apart and the occupants managed narrow escapes from the howling crowds, heated to the boiling point by provocateurs.

Police Helpless

Police said they were helpless to stem the mob, part of which surged around the courthouse demanding the release of a white supremacist jailed for contempt of federal court. Another segregationist "took over" and spoke to the crowd for 45 minutes.

A troubled quiet settled over Mansfield today and there appeared no immediate danger of any more violence. A crowd of some 400 whites frightened away six Negroes who had planned to enroll in Mansfield's all-white school Friday.

The Negroes, armed with a court order, failed to show up when the white men gathered around the school during registration day and blocked the entrance. There was no serious violence but an assistant district attorney from Fort Worth and several news cameramen were jostled.

Gov. Allan Shivers ordered two Texas rangers to observe the goings on and told school officials to transfer out of the district any student whose attendance could reasonably be calculated to incite violence.

At Bryson City, N. C., school officials awaited "probable" legal action against them for refusing to admit five Negro pupils to Swain County's only white high school. There was no violence and a rumor that the Negroes would try to register Friday brought only 25 to 30 persons to the school grounds.

Labor Day to Be Observed at Fairgrounds

Sen. Jones, Two
Ministers to Talk;
Music by Quartettes

Business in Harrisburg and surrounding communities will come to a virtual standstill Monday when Labor Day will be observed.

For many years labor and business groups have co-operated in sponsoring a program at the Saline county fairgrounds and this year's program is scheduled to start at 2 p. m. and continue until almost midnight.

J. E. Grisham, chairman of the Labor Day committee, has announced a program of gospel preaching and singing, to feature local ministers and some of the best known quartettes. State Senator Glen Jones has been selected to make the annual Labor Day address.

Working with Mr. Grisham on the committee are Arleigh Phillips and Guy Price.

There will be special attractions for the young people. Free pony rides for the kiddies will be provided and bicycle racing and watermelon eating contests for children 16 years of age and under will be held. The races are listed for 2 p. m. and the watermelon eating contest for 5 o'clock.

Senator Jones speaks at 4 o'clock and at 6 p. m. Rev. "Buddy" Peyton will bring a gospel message, followed by gospel singing.

At 7 o'clock three quartettes—the Blackwood Brothers, Spear Family and Golden Key—will share the spotlight in a full program of gospel songs.

Rev. John Yuhas will preach at 9 and then the quartettes will again appear on the program and sing until near midnight.

Co-sponsoring the program are Labor Unions, Saline County Central Labor Council and business people of Harrisburg.

Everything is free and the public is cordially invited to come to the Saline County Fairgrounds and enjoy Labor Day.

Hintz Begins His 1 to 3 Term in Statesville Prison

CHICAGO (U.P.) — An ex-banker began his first full day of a one-to-three year sentence in a state prison today on charges of conspiracy to defraud the state in the \$1-million embezzlement scheme of convicted State Auditor Orville E. Hodge.

Edward A. Hintz, former president of the Southmoore Bank and Trust Co., entered Stateville Penitentiary near Joliet, Ill., after a federal judge ruled he could serve a federal sentence concurrently with a state sentence. Hintz, who admitted cashing checks for Hodge in his fraudulent check scheme, also was convicted on federal charges of misapplying funds in a federally-insured bank.

Another Hodge associate — Edward A. Epping — was given a five-year sentence and five years probation in Federal Court on similar charges.

Earl Thornton Jr. Finds Himself in Key Situation

Earl Thornton Jr. of Stonefort would like to know just what the odds would be in this happening—and it did happen to him:

In 1953 he bought a new Chevrolet truck, which he still owns. Last year he bought a new 1955 Chevrolet.

Yesterday, he made a mistake in keys and used his truck keys in his auto, not knowing he had done it until he already had returned home and was looking for his truck keys to drive the truck.

Then he discovered for the first time that the sets of keys to both his auto and truck were identical.

Woman Admits Killing Husband Following Row

Incident at Palestine
Community 10 Miles
Southwest of Marion

MARION, Ill. (U.P.) — Mrs. Ouida Cannon, 29, confessed to authorities early today that she shot and killed her husband, Raymond, 31, as he lay sleeping in the bedroom of their home in the farming community of Palestine, 10 miles southwest of here.

State's Atty. Carl Sneed said murder charges would be filed. Sneed quoted Mrs. Cannon as saying she and her husband had argued, and that he had "slapped her around." She said she had bought the shells last Thursday for "self defense," the state's attorney said, and loaded them into the 16-gauge shotgun with which Cannon was slain.

Mrs. Cannon said her husband went to bed shortly before midnight, and was sleeping when she entered the room and fired one shot into his heart.

The couple's two sons, aged 8 and 10, were asleep in the house at the time of the shooting, Sneed said.

Succeeds Cain on Subversive Activities Control Board

WASHINGTON (U.P.) — Dorothy McCullough Lee of the Justice Department's Parole Board today succeeded former Sen. Harry P. Cain (R-Wash.) on the Subversive Activities Control Board.

President Eisenhower announced the appointment Friday. Cain, a bitter critic of the administration's loyalty-security program, recommended as his last official act that the board rule the Washington State Pension Union is a Communist front.

Mrs. Lee, a lawyer who served as mayor of Portland, Ore., from 1949 until 1952, has been on the parole board since 1953. She also served in 1953 on a special assignment in Germany for the State Department.

New York Police Seek to Unravel Murder Mystery

NEW YORK (U.P.) — Police today pieced together the double-life background of a pretty young girl named for a constellation of stars in an attempt to solve the mystery of her violent death in Greenwich Village, apparently at the hands of a rapist.

Being questioned were neighborhood acquaintances and former boyfriend of dark haired Pleiades Fieldgrove, 26, who worked by day at the ordinary job of an office clerk and danced by night in the red ballet slippers that were found beside her body.

The body was found Friday in a grotesque, half-sitting position in the courtyard of a Greenwich Village apartment building. She wore a low-cut purple party dress and apparently had died immediately from a single wound, probably made by a knife, in her left breast.

Identify 9 Killed In Plane Crash

ANCHORAGE, Alaska (U.P.) — Nine of the 11 men killed in Friday's crash of a B50 weather plane 50 miles north of Anchorage have been identified, the Air Force at Elmendorf Air Force Base said today.

The Air Force said the names of the crash victims would not be released until all bodies had been identified.

Ken Whittaker of the Anchorage Daily News staff flew over the crash scene on an island in the Susitna River in a light plane Friday.

Whittaker said the wreckage was in a small clearing near the water and that nearby trees, which probably would have been damaged had they been struck by the falling plane, were unharmed. Earlier the Air Force said it appeared the giant four-engined plane pancaked into the island.

Maj. John Orr, public information officer at the Eielson AFB (and a former local man), said the plane was on a routine weather flight from Eielson when it crashed. However, officials at Eielson said the craft was on a special mission for the 58th Weather Reconnaissance Squadron.

Baby Killed When Run Over by Automobile

PATOKA, Ill. (U.P.) — An 18-month-old girl was killed Friday when she was struck by a car driven by a rural mail carrier near here.

The girl, GERALYN ANN WALKER, daughter of Mr. and Mrs. Glen Walker, was dead on arrival about noon at St. Mary's Hospital in Centralia.

Elmer Rogers of Patoka, the mail carrier, told authorities that a group of children had gathered about his car when he stopped at the Walker home, and that he thought they were all clear when he started his car.

Now Setting Up Paschen Office Merit System

Stephen A. Mitchell
Seems Top Prospect
For Place on Ticket

CHICAGO (U.P.) — A merit system is being set up in the office of Cook County Treasurer Herbert C. Paschen.

First action toward installation of the system was started Friday by Paschen, who withdrew Wednesday as the Democratic candidate for governor of Illinois.

A spokesman for the treasurer revealed the formation of the informal merit system.

It also was revealed that Paschen expected to make a report within the next few days to Deputy Comptroller C. Hodgman about expenditure of a \$4,000 contingency fund last year. The Chicago Sun-Times disclosed Paschen had failed to meet a Cook County Board requirement that he account for the money allotted him for miscellaneous use in the office.

About 20 names were being mentioned as possible candidates to oppose Republican Gov. William G. Stratton in the November election.

The front-runner, however, appeared to be Stephen A. Mitchell, former Democratic National Chairman who had earlier sought the nomination but was rejected by the regular party organization. Mitchell, handicapped four years ago by Stevenson for the chairman's post, now has some labor opposition for the gubernatorial nomination.

Millions Pack Highways for Holiday Trips

National Safety
Council Estimates
480 to Be Killed

CHICAGO (U.P.) — Millions of motorists jam-packed the nation's highways today to start the Labor Day week-end and authorities doubled their efforts to hold traffic fatalities below a record prediction.

The initial exodus from the cities for the three-day holiday began late Friday. Bulk of traffic, however, was expected to hit the nation's roads early today for the final summer fling in generally good weather.

Since 6 p. m. Friday, 13 persons died in accidents on the nation's highways. No deaths in plane crashes or by miscellaneous causes and drownings had been reported.

Texas had five auto fatalities, Ohio and Illinois two each and Georgia, Iowa, New Jersey and North Carolina one apiece.

The National Safety Council estimated 480 persons would die in traffic accidents between 6 p. m. Friday and midnight Monday. That would be a record, if realized, for a Labor Day holiday, exceeding by 27 the previous toll of 453 deaths set in 1953 and also surpassing the 445 deaths for the 1955 holiday.

Keith Child First Polio Case in Saline County

Saline county's first polio case of the season was announced today by A. M. Hetherington, chairman of the Saline County Chapter for Infantile Paralysis.

David Lee Keith, 3-year-old son of Mr. and Mrs. John Keith, RFD 2, Carrier Mills, was taken to St. Mary's hospital, East St. Louis, Monday of this week, and the illness has been diagnosed as polio, Mr. Hetherington said.

All parents whose children have not been vaccinated for polio are urged to take their children to their family physician for the vaccination. "It isn't too late to have your children inoculated with the Salk vaccine," Hetherington declared.

Learn Reds Have Exploded 4 Nuclear Test Weapons

By JOSEPH L. MYLER
United Press Staff Correspondent

WASHINGTON (U.P.) — The Russians apparently have exploded a total of around 40 nuclear test weapons.

This is about three times the number of Russian tests individually reported by the U. S. and Soviet governments.

The United States has exploded about 75 and Great Britain five. So whatever burden of radioactivity the planet carries as a result of man-made atomic explosions, Russia is responsible for about a third of it.

The latest Soviet announcement indicates that the Russians, having tested multimegaton "super bombs," are now emphasizing development of tactical atomic weapons for battlefield use and perhaps "small" hydrogen war-

heads for delivery by jet bomber or medium-range missiles.

Informed sources here say it is almost pointless to try to guess from official Moscow announcements what the Russians are up to. They say propaganda is so mixed up with fact in such announcements that it is next to impossible to separate the two.

But two hard bits of information in recent U. S. and Russian statements do stand out:

1. The Russians have set off far more nuclear explosions than they or their neutralist apologists have ever conceded.

2. The Russians have turned for the time being from testing weapons of megaton violence (one megaton equals 1 million tons of TNT), to experimenting with more versatile but less powerful weapons.

The victims were Jack Daniel, 35, and Lyle Green, 33, both of Rushville, Ill. They were mounted on separate motorcycles.

Police said the accident occurred when the two men smacked into the side of an auto driven by Carl Cooper, 42, of Philadelphia, Ill.

Mrs. Nora Thompson

Mrs. Nora Thompson, oldest citizen of Carrier Mills, died today at 7:35 a. m. at the home of her daughter, Mrs. Sam Cape, 212 North Webster, following a short illness. Her age was 97.

She was born on East Walnut street in Harrisburg April 22, 1859, the daughter of Moses P. McGehee who was the first judge in Saline county.

She was married to the late H. Thompson of Carrier Mills and to this union were born three daughters, Mrs. Edith Henderson, Carrier Mills, Mrs. Fleeta Cape, Harrisburg, and Bertha Thompson who died at the age of four years.

Mrs. Thompson taught grade school in Carrier Mills and served on the board of directors there. Since her marriage to Mr. Thompson 73 years ago she had resided in Carrier Mills, but for over 20 years she has been cared for by her two daughters.

Egypt Angrily Calls It Effort Of Pressure

Eisenhower's Remarks
On Suez Help to
Curb Resentment

By WILLIAM SEXTON
United Press Staff Correspondent

LONDON (U.P.) — French troop convoys plowed through the Mediterranean toward Cyprus today in what informed sources said was a rush effort to complete a military buildup before start of the Suez talks on Monday.

Egypt reacted angrily to the buildup and accused Britain and France of trying to apply pressure on Egypt which could disrupt the talks between Egyptian President Gamal Abdel Nasser and a five-man Suez committee.

There was growing uneasiness in Britain against the possible use of force outside the United Nations, but Prime Minister Anthony Eden rejected a Labor Party bid to bring Parliament into emergency session during the Suez talks.

The general council of Britain's 8 million strong Trades Union Congress adopted a resolution Friday night demanding that Britain not use force against Egypt without the approval of the United Nations.

Talks Begin Monday

The Suez committee headed by Australian Prime Minister Robert Gordon Menzies planned to leave London Sunday for Cairo and to hold the first talks with Nasser Monday morning.

Cairo dispatches said Nasser was in a "conciliatory mood" but all Egyptian government sources insisted he would reject the Dulles formula for ending the crisis by placing the Suez Canal under international control.

Friday's news conference statements by President Eisenhower helped relieve some of the resentment in Egypt at the Anglo-French military moves, especially his expressed hope of a peaceful settlement.

Egypt also was pleased with his explanation that recent statements about nationalization of the canal under the 1888 agreement referred not to operation of the canal and not to Egyptian ownership.

The trial of three Britons in Egypt on charges of espionage and plotting to overthrow the Nasser government could have serious complications, especially if the three men receive the death penalty.

Mt. Vernon to Appeal Court Decision on Utility Condemnation

MOUNT VERNON, Ill. (U.P.) — City officials said today they will appeal a Circuit Court decision that Mount Vernon cannot legally proceed with its efforts to condemn the Illinois Cities Water Co. plant and operate it as a public utility.

Circuit Judge Benedict W. Eovaldi Friday granted the water company an injunction forbidding the city to continue its condemnation proceedings.

City officials said they would appeal to the State Supreme Court. Mount Vernon has been trying to take over the water company property through condemnation because of a running battle over several years with the water company over water rates.

City officials said Mount Vernon was prepared to float a bond issue to buy the property if the condemnation proceedings were successful.

Rare Chemical Makes Plants Grow Five Times as Fast

INDIANAPOLIS (AP)—Eli Lilly &
Co. announced today it is distribut-
ing to scientists for agricultural ex-
periments a quantity of a rare
chemical which makes plants grow
up to five times as fast as the nor-
mal rate.

The chemical is gibberellic acid.
Lilly, the pharmaceutical house
which makes most of the world's
Salk polio vaccine supply, said it
is a "virtually unknown" chemical
which may cause "plant kingdom
revolution."

Lilly said it studied the chemi-
cal as a plant growth stimulant
in climate-controlled laboratories
and under field conditions. In the
laboratory, the acid increased the
growth rate of some plants by five
times, spokesmen said.

"The substance has exciting pos-
sibilities as a plant growth regu-
lator," said T. P. Carney, vice
president of research. "But a great
deal of laborious and time consum-
ing research still must be done
before the full extent of its use-
fulness is known."

The acid has stimulated growth
in field crops such as wheat, oats,
clover, legumes, corn and tobacco,
as well as vegetables, flowers,
shrubs and trees.

SIU Country Column

By ALBERT MEYER

To watch an experienced live-
stock exhibitor show animals in
competition at a fair—county, re-
gional or state—is worth the time
of any fair goer who is interested
in farm animals. The competition
toughens as the fair increases in
importance.

The writer is no authority on the
fine points of quality that consti-
tutes a winning animal, but it is
easy to see that the judges, who
are selected for their expert knowl-
edge of a certain breed of live-
stock, have a difficult task rank-
ing the animals in proper order for
awarding ribbons and the prize
money.

That the animals entered in com-
petition at fairs are of good qual-
ity is to be taken for granted. The
ordinary spectator generally can
see some differences in the ani-
mals of a particular class, but it
takes the special abilities of the
livestock judge to decide which will
receive the blue ribbon, which the
red, and so on down the list.

If the judge is under pressure,
the exhibitor is doubly so. Some
show their tension more than oth-
ers, but undoubtedly all must feel
it somewhat. As the judge moves
along the line of animals to size
up their qualities, each handler
may be seen eyeing the judge ex-
pectantly, almost furtively, while
at the same time trying to make
sure his animal is moving or stand-
ing in such a way as to show off
its best qualities effectively.

It is obvious that experience is
the best teacher in the art of ex-
hibiting good livestock at fairs.
Proper grooming the animal for
the show ring is essential. Once in
the ring with judging underway,
proper handling takes know-how
and control of the animal. A calm
animal makes the job simpler.

Sometimes, after the first tenta-
tive placing of the animals the
judge may shuffle the positions af-
ter a final survey of the lot. This
means brightening eyes for the
handler whose animal moves up
the scale and a falling countenance
for the person whose animal is re-
placed. Winning high awards in
competition at fairs is valuable ad-
vertising for the livestock farmer
who keeps breeding animals.

Burning fields to get rid of crop
residues is not as common as it
was in days past, thanks to years
of educational efforts by persons
interested in soil conservation and
wildlife preservation. Yet several
instances of wheat stubble fields
being burned following harvest
have been seen this year. The fine
yield of wheat has meant an abun-
dant of straw and modern har-
vesting with combines leaves all
the straw on the field.

In plowing such wheat stubble
the farmers sometimes run into dif-
ficulty unless the field is first mow-
ed, disked, or otherwise treated to
get the stubble and straw down so
that it can be turned down by the
plow more adequately. Do this ra-
ther than burning off the field.
Farmers in Southern Illinois can-
not afford to lose the organic hu-
mus that is needed so desperately
by the soil. Crop residues are one
source of this humus. Other
sources are barnyard manure and
green manure crops such as oats,
rye, and clovers which are plowed
down.

Joseph P. Vavra, SIU soils spe-
cialist, points to three of the many
beneficial effects of humus in the
soil.
First, it develops good soil tilth
so that there is less packing and
the soil may be worked more easi-
ly in the cultivation process.

Second, soil with a high percent-
age of humus does not lose fertil-
izers by leaching so rapidly as do
some others.

Third, humus increases the water-
holding capacity of the soil, a
highly important factor in years of
drouth. Humus makes the soil
more absorbent, allowing less run-
off of water.

DAILY BIBLE THOUGHT

I have fed you with milk, and
not with meat. I Corinthians 3:2.
Great orators always speak with
simplicity and understanding.
Little men try to show themselves
to be over the heads of their hear-
ers. Christ spoke with the utmost
simplicity. He was trying to
help.

Announce Marriage of
Miss Gladys Reynolds,
Lyman Earl Edmondson

Mr. and Mrs. Edmondson

Mr. and Mrs. Romas Reynolds
of Carrier Mills are announcing
the marriage of their daughter,
Gladys, to Lyman Earl Edmond-
son, son of Mr. and Mrs. Frank
Edmondson, also of Carrier Mills.
Rev. George Dougherty of Car-
rier Mills performed the double
ring ceremony at 4 p. m. Saturday,
August 25, at the home of the
bridegroom's parents.

The bride wore a powder blue
lace sheath dress designed with a
picture neckline and a drape in
the back. She wore a matching
hat and pink accessories and car-
ried a white pearl-covered Bible
topped with pink rose buds with
pink streamers. The Bible was a
gift of the groom.

Mrs. Colleen Edmondson, sister-
in-law of the bridegroom, was ma-
tron of honor, wearing beige lace
over pink with a full skirt. Her
flowers were white carnations
touched with pink.

Gerald Edmondson, brother of
the bridegroom, Carrier Mills, was
best man.

The bride's mother chose for
her daughter's wedding a blue lace
dress with white carnation cor-
sage. Mrs. Edmondson wore a
blue linen sheath with white car-
nations.

Following the wedding a recep-
tion was held at the Edmondson
home where the bride's table was
covered with a lace cloth and de-
corated with white gladioli and
white candles. Wedding cake and
punch were served. Hostesses were
Mrs. Gerald Edmondson and Mrs.
Frank Burns.

The bride was formerly employ-
ed in Lucille's beauty shop in Car-
rier Mills. The groom graduated
from the Carrier Mills community
high school with the class of 1950,
attended SIU and spent time in the
military service, serving 18 months
in Germany with the finance de-
partment.

The couple is now at home at
904 North Montgomery street in
Litchfield, Ill.

Out of town guests were Mr. and
Mrs. Frank Burns, Johnston City.

Mr. and Mrs. Herman Riegel,
Portales, N. M., and Mr. and Mrs.
Carroll Brigrance and children of
Lubbock, Texas, visited the past
week in the home of Mr. and Mrs.
E. E. Keel, Carrier Mills. They
also visited many friends and
relatives in this area before re-
turning to their homes the latter
part of the week.

Eisenhower to Offer Briefings on Foreign Affairs to Stevenson

WASHINGTON (U.P.)—President
Eisenhower plans to offer Demo-
cratic presidential candidate Adlai
E. Stevenson confidential intelli-
gence briefings on foreign affairs
during the campaign, the White
House disclosed today.

White House Press Secretary
James E. Hagerty said he expects
Mr. Eisenhower will contact Ste-
venson next week to make "a formal
offer" to provide the foreign
affairs intelligence summaries. He
said Mr. Eisenhower "has always
expected" to offer such briefings
to Stevenson.

Another Chris for Ike

WASHINGTON (U.P.)—A Rhode
Island Republican leader visited
President Eisenhower Friday wear-
ing an "Ike-Chris" button. But, he
quickly explained to newsmen, the
"Chris" stood for him—Christo-
pher De Sesto, candidate for gov-
ernor—and not for Massachusetts
Gov. Christian A. Herter, who was
pushed recently by Harold Stassen
for the GOP vice presidential nom-
ination.

'Lucky LeRoy' to Be Shawneetown Revival Evangelist

"Lucky LeRoy" Marvel

"Lucky LeRoy" Marvel of Har-
risburg will be the evangelist at
a series of revival meetings which
will begin at the 10:45 a. m. serv-
ice Sunday at the First Baptist
church of Shawneetown and con-
tinue each evening at 7:30 through
Sept. 15.

The pastor of the church, the
Rev. Ray Pady, points out that
the evangelist has been lifted by
God from the tongs of alcohol and
the dungeon of sin to heavenly
peace and victory through Jesus
Christ.

Called to preach, he has preach-
ed for 66 consecutive days, during
which time many sinners have
been saved and backsliders re-
stored to their salvation, Rev. Pady
stated.

Kenneth Upchurch of Harris-
burg will lead the musical pro-
gram. He is experienced in re-
vival meetings and choir work.

Yvonne Eubanks will be the or-
ganist with a number of pianists
alternating at the piano.

"Prayer meetings have felt the
spirit of God and Christians will
continue to pray," the pastor, Rev.
Pady, said. "We urge all Chris-
tians who love the Lord to work
for revival, knowing that real re-
vival comes through a united ef-
fort of God's people."

All are welcome to the services.

THE PARABLE

herefore speak I to them in parables: because they seeing see not; and hearing they hear not; neither do they understand.
(St. Matthew 13:13)

THE PARABLE is the basis of all religious education. From infancy through adult life we learn spiritual truths only as they are interpreted for us in terms of every-day experience.

OUR CHURCHES follow the example of the Greatest Teacher. Simple precepts or more complex doctrines are brought to us in vivid illustration. Lessons, sermons, hymns — even church architecture and ritual — are full of human narrative, word pictures or traditional symbolism to help us grasp and apply God's truth.

SPIRITUAL MATURITY must come to us through the effective teaching and practical guidance our churches provide. Our souls cannot grow simply by seeing a church on the corner, or hearing folks talk about religion. Worshipping and learning every Sunday, we will understand Christian truth in living terms and use our understanding to serve God and man.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

'The Royal Law of Love'

James 2:1-13
GOLDEN TEXT: "My brethren, have not the faith of our Lord Jesus Christ, the Lord of glory, with respect of persons." (James 2:1)

INTRODUCTION — Respect of persons has been one of the besetting sins of the human race since the dawn of history. During the earthly sojourn of Jesus the Jews and Samaritans discriminated against one another. Through all of history, the persons in power have taken advantage of their situation in dealing with those less fortunate.

Today we face the same problem. There is discrimination on every hand. We find social discrimination, race discrimination and religious discrimination at every turn in the road. It is at all such "respect of persons" that this Bible lesson is aimed.

I. RESPECT OF PERSONS IS SINFUL (vv. 1-4)

A very vivid illustration is given in these verses of Scripture of the attitude so often taken toward those who are wealthy. All too often others will "bow and scrape" to these people. They are looked up to as being something extra special just because they have wealth, social position and fine clothing. This attitude prevails in social life, business life, fraternal orders and even in some churches. No matter where it is found, it is sinful! The fellow dressed in overalls, with not a penny in his pockets, is worth as much in the sight of God as the man dressed in a tuxedo who is "loaded" with money. The person whose skin is white is no better in God's sight than those whose skin is black, brown, red or any other color.

II. RESPECT FOR PERSONS IS UNWISE (vv. 5-7)

God does not look at one's bank balance. He does not look at one's skin. Nor does He take cognizance of a person's social standing. God looks upon the heart of man. All men stand equal in the judgment of God. Outward appearances mean nothing to Him. In heaven there will be great hosts of people who had little or no worldly possessions, while in hell there will be great numbers of people who had much worldly goods. In heaven there will be

many people whose skin on earth was not white, while in hell there will be multitudes of people whose skin was white on earth. Yes, respect of persons is quite unwise!

III. RESPECT OF PERSONS IS WRONG (vv. 8-11)

James here speaks of the "royal law." That "royal law" is that "thou shalt love thy neighbor as thyself."

Jesus Christ was no respecter of persons. "He came to seek and to save that which was lost," regardless of that lost person's financial standing, social standing, or skin color. Jesus died on a cruel cross, not for a select group, but for all who would come unto Him. James uses some strong language here. In verse nine he says that, "if ye have respect of persons, ye commit sin, and are convinced of the law as transgressors." He goes on to say that those who are guilty of discrimination are as guilty of breaking the law as is any person who commits adultery or kills someone.

CONCLUSION: RESPECTERS OF PERSONS WILL BE JUDGED, (vv. 12-13)

All sin will be judged. God will be the judge. Sin is sin in His sight. Notice that he speaks of discrimination in the same breath along with adultery and murder. Friend, it behooves us to get rid of all feelings of discrimination toward people of other races, religions, social or financial standings. Remember, every other person in this world is as good as you are in the sight of God.

Merchants Meet Carterville Stars At Raleigh Park

The Eldorado Merchants will play host to the strong Carterville Stars Sunday in a baseball game to be played on the Raleigh town park diamond.

The Stars have a strong club, featuring the pitching of "Lefty" Seats, a former Three-I league hurler with Waterloo. The Stars also have several hard hitters in their lineup.

For the Stars it will be either

Alva Sandusky or Jim Dean on the mound.

In two previous meetings the teams have split. Eldorado winning on its home diamond, 8-7, and losing at Carterville 6-5.

Game time is 2:30 Sunday afternoon, with pre-game practice set for 12:45.

There is no admission charge and plenty of seating room in the new grandstand and lots of automobile parking space.

Looking at Sports

BY BILL MELTON

Fumbling through the exchanges—or this and that on southern Illinois football:
Fifty-one hopefuls answered the first call for grid practice at Cairo high school. Don Cross is head football coach, assisted by Ben Cooke and Hugh Fuqua.

Most schools have been on a two-a-day practice schedule, but Centralia high school has three practice sessions daily. The Orphans got right down to business and scrimmaged the very first night under the lights.

Approximately 95 candidates reported by Centralia Coach Jimmy Evers. Up front he has three players whose combined weight is more than 600 pounds. Bill Crane at 198 was the lightest, Rocky Mackey weighs 205 and Joe Mayoral tipped the scales at 228.

Marion may shed the title of "South Seven doormat" this season. Sixteen lettermen were included in the group that reported Monday for the first practice session.
This is said to be the finest

prospects Marion has had since the early 1940's.

The backfield will have lots of speed with returning letter winners Jim and Jack Anderson, Harold Merriweather and Joe Guley.

Wendell Starrick is head coach at Marion, assisted by Charles Mathieu and Danny Wales.

Christopher candidates numbered only 31 and 13 of them were freshmen. The team is coached by Bob Astroth and plays a ten-game schedule.

Fairfield Coach Don Woods welcomed 65 candidates to the opening practice and expects several more to report after school starts.

In one of the first sessions a tackle got a knee in his face and became a hospital patient.

Jan Jansco, high scoring half-back last season with the Johnston City Indians, has announced he will enroll at Purdue university.

Jansco had numerous athletic scholarship offers, it is stated, but decided on Purdue.

He is considered one of the finest football prospects to be developed in southern Illinois in years. He runs, passes, kicks and place kicks. He scored 144 points for JC last year.

Gen. Philip Kearny, despite the loss of an arm in the Mexican War, led his men on horseback during the Civil War.

Mantle's No. 47 Is 'Command Performance' from President

By FRED DOWN

United Press Sports Writer
Mickey Mantle's assault on Babe Ruth's home run record hit a new peak today in the wake of a "command performance" homer for President Eisenhower.

Mr. Eisenhower paid a surprise visit to Griffith Stadium Friday night in hopes of seeing Mantle hit a homer and the slugging center-fielder came through with a seventh-inning blast that produced the decisive run in the New York Yankees' 6-4 victory over the Washington Senators. It was Mickey's 47th and kept him four games ahead of Ruth's record 1927 pace. Until Mantle's homer, the President's cheers were directed primarily at Jim Lemon, a 28-year old outfielder from the staunch Democratic stronghold of Covington, Va., who drove in all four Washington runs with three homers. The President leaped to his feet and applauded vigorously when Lemon walloped his third homer in the sixth inning to produce a 4-4 tie.

But the big moment came in the seventh inning when Mantle picked out a 1-0 pitch by Camilo Pascual and blasted it over the right field wall.

Still Needs 13
Mantle now heads into the final month of the campaign needing 13 homers in 25 games to tie Ruth's mark.

Lemon's three-homer performance made him only the second player to hit three in a single game at Griffith Stadium and won him a handshake from the President after the game.

The second-place Cleveland Indians fell 8½ games behind the Yankees when they split a double-header with the Chicago White Sox. Sam Mele's fourth-inning homer enabled Herb Score to out-duel Billy Pierce, 3-2, in the first game but the White Sox won the second game, 1-0, when Dick Donovan out-pitched Early Wynn and singled home the big run in the 10th. Wynn had pitched a one-hitter for nine innings.

Al Kaline knocked in four runs with two triples and a single to lead the Detroit Tigers to a 6-1 win over the Kansas City Athletics and George Kell hit two homers and Gus Triandos and Billy Gardner one each as the Baltimore Orioles outslugged the Boston Red Sox, 13-6, in other American League games.

The Milwaukee Braves increased their National League lead to 2½ games when they beat the St. Louis Cardinals, 6-5 and 3-3. Jack Dittmer, batting for the first time this month, singled home the winning run in the 11-inning opener while Ed Matthews collected four

hits and drove in two runs in the nightcap. Ray Crone and Taylor Phillips were the winning pitchers.

The Brooklyn Dodgers took advantage of 10 walks to score a 7-3 triumph over the New York Giants as Don Newcombe gained his 22nd victory. Four walks, a sacrifice fly, Daryl Spencer's error and singles by Jim Gilliam and PeeWee Reese enabled the Dodgers to score five runs and take the lead in the fourth.

Pinch-hitter Smokey Burgess' sacrifice fly with the bases filled and one out in the last of the ninth gave the Cincinnati Redlegs a 4-3 decision over the Chicago Cubs. Frank Robinson led off the ninth with his 35th homer to tie the score after two homers by Walt Moryn and one by Jim King enabled Bob Ruth to carry a 3-2 lead into the final frame.

Ronnie Kline, backed by a 15-hit attack, won his 12th decision as the Pittsburgh Pirates beat the Philadelphia Phillies, 6-3. Frank Thomas and Lee Walls led the Pirates' assault with three hits each.

Five of Last Year's Pups Quit Squad

Head football Coach Lawrence Calufetti had his pigskin charges running signal drills yesterday with five boys—three of them 200-pounders—missing from the twice-a-day practice sessions.

Jack Simpson, Phillip Foster and Dale Martin, all regulars from the fine freshman-sophomore team of last year, were the hefty tackles who quit, along with Bobby Clark, the regular frosh-soph quarterback last year, and Ira Logan, an end.

"Every one of those boys could have helped us this year," Calufetti said, "especially those 200-pounders."

The coach has been practicing all the sophomores with the varsity squad the past two days. Still working on fundamentals and getting the boys into shape this week, he plans the first scrimmage Monday morning.

"I'll know a lot more about my players after Monday," Calufetti said. "Right now, all positions are open. The boys have to show me what they can do, because I'm going to give all these sophomores a chance to make the varsity squad. Of course, some of them will have to go back to the frosh-soph squad, but everyone has an equal chance."

The coach has been using several boys in different combinations in the signal drills this week. But several faces have appeared almost every time. Among them were Bill Henshaw, Bennie Fulkerson, Ronnie Vick, and Lou Williams in the line, and John Ziegler, Donald Biggs, and Trevor Whiteside in the backfield. However, Calufetti emphasized that no one was assured of a starting berth yet.

Jim Cummins, a defensive quarterback, joined the squad Thursday, and was working in the quarterback slot last night. Jim, who suffered an infection in his hip last winter, received an o. k. from his doctor to participate.

Soapbox Racing To End Sunday

Soapbox racing in Harrisburg will come to a close Sunday afternoon when the championship program will be staged, the championship trophy awarded and prizes presented.

For the past several Sunday afternoons boys with their home-made racing carts have participated in a program on Cherry street hill, under the supervision of Virginia Leberman and City Patrolman Pat Atkinson.

Fourteen drivers and carts were on hand last Sunday, with Johnny Warmelink taking top honors. Other champions, picked in weekly racing, are: Jimmy Gilliam, Tommy Gilliam, Curt Wallison, Jimmy Smith and Mac Mitchell.

The program has been carried through with the co-operation of the Harrisburg Lions club and Harrisburg merchants.

The Lions will present the champion with a beautiful 14-inch trophy and cash prizes will be awarded first, second and third place winners of \$4, \$2 and \$1 through the courtesy of the Lloyd L. Parker Furniture store.

Others who have contributed to the program are Myrons, Skaggs Drug Store, Auto Club of Egypt, Winkelman's Jewelry, Arensman's Shoe Store, Palace, Fashion Palace, and Turners, Gibbons, Gaskins and the Harrisburg funeral homes.

The program is planned to close at 3 p. m. when the trophy and prize money will be presented.

Soo Loses When Referee Stops Bout In Sixth Round

WASHINGTON (UP) — Mexican lightweight champion Bernabe (baby) Vasquez today pocketed a smashing victory over previously unbeaten Jimmy Soo of Philadelphia.

Soo's string of 34 wins ended Friday night under a flurry of lefts and rights. The tough Mexican TKO'd Soo in 1:32 of the sixth round.

The Mexican lightweight, who weighed in at 135 pounds, put Soo on the canvas with a fast flurry in the sixth. Soo, bleeding from the nose and mouth, got to his feet but Referee Marty Gallagher stopped it.
